

### THE CAR

The Lamborghini Gallardo is a great sports car, very slender and on the smaller side giving you the feeling of becoming part of the car. You can feel its 570 horsepower as soon as you touch the accelerator thanks to its four-wheel drive. It reaches maximum speed at around 330 km/h, but even when you are racing at Monza 270 km/h will feel too much.

Get in touch with us today and experience this awesome day for yourself, we promise you won't regret it!
