

# LAMBORGHINI HURACÁN

## THE CAR

Heir of the Gallardo, this luxury super sports car, manufactured by the Italian factory, combines the highest level of performance, with a great ease while driving and an innovative technology, at the same time. A strong sports setting cockpit, with gritty aesthetic and angular lines typical of Lamborghini, combined with a refined style and fine selected materials, that will immediately make you fall in love with this new car. Perfect to be driven on the track, but also relatively easy when on normal roads: agile, very quick into corners, as well as for what concerns an excellent braking system.
